3. Barriers to future attainment (for pupils eligible for PP)	
Academic barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	Lack of home support and general engagement with school and low aspirations can result in reduced effort, progress and attainment for disadvantaged pupils

Additional barriers (<i>including issues which also require action outside school, such as low attendance rates</i>)		
G	Attendance of disadvantaged pupils is below that of other children.

Action	Intended outcome	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
<p>Raise attainment through improved attendance and reduced frequency of lateness and persistence absenteeism.</p>	<p>Enhanced EWO services (purchased from LA) to enable increase to fortnightly monitoring of attendance Dedicated administrator to ensure the prompt response to dropping attendance (and coordination with SENDco/EWO). The purchase of whole school end of year attendance wards to encourage individual pupil attendance and to raise positive profile of attendance in school and parent/carer community</p>	<p>Good attendance is pivotal to good progress and high attainment: NfER briefing for school leaders (2015) identifies addressing attendance as a key step. To ensure good attendance, especially of vulnerable pupils. Previously poor attending pupils have improved attendance and punctuality. Overall attendance target for the school is now 96.3%.</p>	<p>4-weekly EWO visits with SENDco and dedicated administrator will result in prompt referral to EWO or SENDco</p>	<p>IE JP</p>	<p>End of each term on receipt of attendance – tracking report from EWO service</p>
